

Western Riverside County Multiple Species Habitat Conservation Plan
AGRICULTURAL
CERTIFICATE OF INCLUSION

The United States Fish and Wildlife Service and the California Department of Fish and Game have issued Permits pursuant to the federal Endangered Species Act and the California Natural Community Conservation Planning Act (collectively "Permits") authorizing "Take" of certain species in accordance with the terms and conditions of the Permits, the Western Riverside County Multiple Species Habitat Conservation Plan ("MSHCP") and the associated Implementing Agreement. Under the Permits, certain activities by the party or entity below are authorized to "Take" certain species, provided all applicable terms and conditions of the Permits, the MSHCP and the associated Implementing Agreement are met.

As the owner / operator of the property depicted by Assessor's Parcel Number and gross acres on Exhibit "1" attached hereto and incorporated herein by this reference, you are entitled to the protection of the Permits to Take species identified in the MSHCP in connection with Agricultural Operations. In the event that the property depicted on Exhibit "1" is used for other purposes without the express consent of the [appropriate permittee], Take Authorization under the Permits will automatically cease. Such authorization is provided as described in the Permits, the MSHCP and the Implementation Agreement as clarified by the Settlement Agreement dated September 2, 2004 between the County of Riverside, the Western Riverside County Regional Conservation Authority, the City of Perris, City of Murrieta, City of San Jacinto, City of Hemet, City of Temecula, City of Beaumont and the Riverside County Farm Bureau. By signing this Certificate of Inclusion you signify your election to receive Take Authorization under the Permits in accordance with the terms and conditions thereof. This Certificate of Inclusion does not give state and federal agencies additional regulatory control over the signatory nor require the signatory to provide additional information not called for in the Certificate of Inclusion, but instead ensures compliance with 50 Code of Federal Regulations, section 13.25(d). Coverage under the Permits will become effective upon receipt of the executed Certificate of Inclusion by the RCA from the office of the Riverside County Agricultural Commissioner. In the event that the subject property is sold or leased, buyer or lessee must be informed of these provisions and execute a new Certificate of Inclusion.
