

MEETING AGENDA

TIME/DATE: 12:30 p.m. / Monday, November 1, 2021

This meeting is being conducted in accordance with AB 361 due to state or local officials recommending measures to promote social distancing.

BOARD OF DIRECTORS

Chair – Natasha Johnson

Vice Chair – Jeff Hewitt

Kevin Jeffries, County of Riverside, District 1
Karen Spiegel, County of Riverside, District 2
Chuck Washington, County of Riverside, District 3
V. Manuel Perez, County of Riverside, District 4
Jeff Hewitt, County of Riverside, District 5
Colleen Wallace / David Happe, City of Banning
Julio Martinez / Mike Lara, City of Beaumont
Jeff Cervantez / Bill Davis, City of Calimesa
Larry Greene / Jeremy Smith, City of Canyon Lake
Tony Daddario / Wes Speake, City of Corona
Jocelyn Yow / Todd Rigby, City of Eastvale
Linda Krupa / Russ Brown, City of Hemet
Lorena Barajas / Leslie Altamirano, City of Jurupa Valley
Natasha Johnson / Bob Magee, City of Lake Elsinore
Lesa Sobek / Bob Karwin, City of Meniffee
David Marquez / To Be Appointed, City of Moreno Valley
Jonathan Ingram / Christi White, City of Murrieta
Kevin Bash / Katherine Aleman, City of Norco
David Starr Rabb / Malcolm Corona, City of Perris
Patricia Lock Dawson / Steve Hemenway, City of Riverside
Crystal Ruiz / Phil Ayala, City of San Jacinto
Maryann Edwards / Zak Schwank, City of Temecula
Ben J. Benoit / Joseph Morabito, City of Wildomar

MEETING AGENDA*

***Actions may be taken on any item listed on the agenda**

12:30 p.m.

Monday, November 1, 2021

This meeting is being conducted in accordance with AB 361 due to state or local officials recommending measures to promote social distancing.

INSTRUCTIONS FOR ELECTRONIC PARTICIPATION

Join Zoom Meeting

<https://rctc.zoom.us/j/89951740965>

Call in: +1 669 900 6833

Meeting ID: 899 5174 0965

One tap mobile: +16699006833,,89951740965#

For members of the public wishing to submit comment in connection with the Executive Committee Meeting please email written comments to the Clerk of the Board at lmobley@rctc.org and your comments will be made part of the official record of the proceedings as long as the comment is received before the end of the meeting's public comment period. Members of the public may also make public comments through their telephone or Zoom connection when recognized by the Chair.

In compliance with the Brown Act and Government Code Section 54957.5, agenda materials distributed 72 hours prior to the meeting, which are public records relating to open session agenda items, will be available for inspection by members of the public prior to the meeting on the RCA's website, www.wrc-rca.org.

In compliance with the Americans with Disabilities Act, Government Code Section 54954.2, Executive Order N-29-20, and the Federal Transit Administration Title VI, please contact the Clerk of the Board at (951) 787-7141 if special assistance is needed to participate in a Board meeting, including accessibility and translation services. Assistance is provided free of charge. Notification of at least 48 hours prior to the meeting time will assist staff in assuring reasonable arrangements can be made to provide assistance at the meeting.

- 1. CALL TO ORDER**
- 2. ROLL CALL**
- 3. PLEDGE OF ALLEGIANCE**

4. **PUBLIC COMMENTS** – *Under the Brown Act, the Board should not take action on or discuss matters raised during public comment portion of the agenda that are not listed on the agenda. The Board Members may refer such matters to staff for factual information or to be placed on the subsequent agenda for consideration.*

5. **ADDITIONS / REVISIONS** – *The Board may add an item to the agenda after making a finding that there is a need to take immediate action on the item and that the item came to the attention of the Board subsequent to the posting of the agenda. An action adding an item to the agenda requires 2/3 vote of the Board. If there are less than 2/3 of the Board Members present, adding an item to the agenda requires a unanimous vote. Added items will be placed for discussion at the end of the agenda.*

6. **CLOSED SESSION**

6A. **CONFERENCE WITH REAL PROPERTY NEGOTIATORS**

Pursuant to Government Code Section 54956.8

Agency Negotiator: Executive Director or Designee

Item	Property Description	Property Owner	Buyer(s)
1	394-010-017, 390-110-007, 390-120-010, 390-120-012, & 390-120-015	Ecosystem Investment Partners	RCA

6B. **REPORT OUT FROM CLOSED SESSION**

7. **CONSENT CALENDAR** – *All matters on the Consent Calendar will be approved in a single motion unless a Board Member(s) requests separate action on specific item(s).*

7A. **APPROVAL OF MINUTES – OCTOBER 4, 2021**

Page 1

7B. **WESTERN RIVERSIDE COUNTY MULTIPLE SPECIES HABITAT CONSERVATION PLAN FEE COLLECTION REPORT FOR SEPTEMBER 2021**

Page 9

Overview

This item is for the Board of Directors to receive and file the Western Riverside County Multiple Species Habitat Conservation Plan (MSHCP) Fee Collection Report for September 2021.

7C. **FISCAL YEAR 2020/21 PRELIMINARY FOURTH QUARTER FINANCIAL REPORT**

Page 11

Overview

This item is for the Board of Directors to receive and file the FY 2020/21 Preliminary Fourth Quarter Financial Report.

7D. ACQUISITIONS STATUS REPORT

Page 28

Overview

This item is for the Board of Directors to receive and file the acquisition status report as of September 30, 2021.

7E. SINGLE SIGNATURE AUTHORITY REPORT

Page 33

Overview

This item is for the Board of Directors to receive and file the Single Signature Authority report for the first quarter ended September 30, 2021.

8. LEGISLATIVE UPDATE

Page 35

Overview

This item is for the Board of Directors to receive and file an update on state and federal legislation.

9. STAKEHOLDERS COMMITTEE MEMBERSHIP OUTREACH UPDATE

Page 43

Overview

This item is for the Board of Directors to receive and file an update on the Stakeholders Committee membership outreach efforts.

10. AB 361 DETERMINATION

Page 51

Overview

This item is for the Board of Directors to

- 1) Adopt Resolution No. 2021-016, "A Resolution of the Board of Directors of the Western Riverside County Regional Conservation Authority Authorizing Virtual Board and Committee Meetings Pursuant to AB 361"; and
- 2) Discuss and provide direction on whether to continue holding virtual meetings with the flexibility to revisit the matter on a monthly basis.

11. PRESENTATION - GETTING TO KNOW THE MSHCP

12. BOARD OF DIRECTORS / EXECUTIVE DIRECTOR REPORT

Overview

This item provides the opportunity for the Board of Directors and the Executive Director to report on attended meetings/conferences and any other items related to Board activities.

13. ADJOURNMENT

The next meeting of the Board of Directors is scheduled to be held on **Monday, December 6, 2021.**

AGENDA ITEM 7A

MINUTES

WESTERN RIVERSIDE COUNTY REGIONAL CONSERVATION AUTHORITY

BOARD OF DIRECTORS MEETING MINUTES

Monday, October 4, 2021

1. CALL TO ORDER

The Western Riverside County Regional Conservation Authority Board of Directors Meeting was called to order by Vice Chair Jeff Hewitt at 12:30 p.m., via Zoom Meeting ID 848 0412 8422, in accordance with AB 361 due to state or local officials recommending measures to promote social distancing.

2. ROLL CALL

Board of Directors/Alternates Present

Kevin Jeffries
Karen Spiegel
Chuck Washington*
Jeff Hewitt
Colleen Wallace
Julio Martinez
Jeff Cervantez
Larry Greene
Tony Daddario
Jocelyn Yow

Linda Krupa
Lorena Barajas
Lesa Sobek
David Marquez
Kevin Bash
David Starr Rabb
Patricia Lock Dawson
Crystal Ruiz
Maryann Edwards
Ben J. Benoit

Board of Directors Absent

V. Manuel Perez
Natasha Johnson
Jonathan Ingram

*Arrived after the meeting was called to order.

3. PLEDGE OF ALLEGIANCE

The Pledge of Allegiance was led by Board Member Dawson.

4. PUBLIC COMMENTS

Board Member Martinez wanted to remind the RCA that the City of Beaumont is still open to assisting with the manual update and procedures. The city would also like to strongly recommend looking at the pre-payment of mitigation fees and including it in the manual.

5. ADDITIONS / REVISIONS

There were no additions or revisions to the agenda.

6. CONSENT CALENDAR - *All matters on the Consent Calendar will be approved in a single motion unless a Board Member(s) requests separate action on specific item(s).*

Board Member Sobek requested Agenda Item 6C be pulled from the Consent Calendar for further discussion.

M/S/C (Edwards/Benoit) to approve the following Consent Calendar items.

6A. APPROVAL OF MINUTES – SEPTEMBER 13, 2021

6B. WESTERN RIVERSIDE COUNTY MULTIPLE SPECIES HABITAT CONSERVATION PLAN FEE COLLECTION REPORT FOR AUGUST 2021

This item is for the Board of Directors to receive and file the Western Riverside County Multiple Species Habitat Conservation Plan (MSHCP) Fee Collection Report for August 2021.

At this time, Board Member Washington joined the meeting.

6C. ACQUISITIONS STATUS REPORT

Board Member Sobek wanted to know if the acquisition status report was now organized by date. Hector Casillas, Right of Way Manager, noted the list is now ordered by close of escrow or proposed close of escrow, if available. If the property is still in negotiation, and the close of escrow is not known, they are listed in the order they were started.

Board Member Sobek also wanted to know how the RCA decides which properties to move forward with due to the limited amount of funds. Mr. Casillas stated that the types of acquisitions were treated differently. Grant property acquisitions are already named in the grant and their order is determined by when the grant is set to expire. Development HANS properties are based on what is submitted to the County or cities for development purposes and are out of RCA control. When a Development HANS property comes in, they are prioritized based on the expected close of escrow date. Non-Development HANS are also from the County and cities, these types of properties only have a certain amount set aside in the budget, and therefore are first come first served. Willing sellers is the category where RCA has the most input. When RCA prioritizes willing seller properties, a vegetation and acquisition map is prepared, and the team discusses if the property in question has what is deemed as a priority for conservation. Not all willing seller properties will qualify and moving forward with an acquisition is not required for these properties unlike the other types of properties.

M/S/C (Sobek/Edwards) to:

This item is for the Board of Directors to receive and file the acquisitions status report as of August 31, 2021.

7. JOINT PROJECT REVIEW STATUS REPORT

Tricia Campbell, Reserve Management and Monitoring Manager, provided a presentation on the Joint Project Review (JPR) status report. This presentation was a follow-up to the Getting to Know the MSHCP presentation a few months ago. The dashboard summarizes the project compliance procedures that the RCA is completing or has completed from January 1st through August 31st of this year. As of today, the RCA is processing 15 JPRs and has completed 19 JPRs. The majority of the completed JPRs (14) came through the County of Riverside and most are for private development such as residential, and 5 JPRs have been completed for public projects. There are currently two staff members at RCA who process JPRs, a third vacant position that is currently in recruitment, and a consultant who provides supplemental staff to ensure the 14-day timeline is met.

The dashboard includes a snapshot on where RCA is on processing and completing the other forms of MSHCP compliance, Participating Special Entity (PSE) and Criteria Refinements. PSE is a procedure where an entity, such a utility company, that would not be processing their projects through the City or the County, can receive MSHCP coverage for their project. Only RCA and the Wildlife Agency review PSEs for MSHCP consistency. There are currently two PSEs in process, both are which amendments to the original. Criteria refinements are necessary when a project wants to develop land that is described to go into MSHCP reserve. As of today, RCA is processing one criteria refinement which is expected to be completed by the end of the year.

This item is for the Board of Directors to receive and file the Joint Project Review (JPS) monthly status report as of August 31, 2021.

8. STATE AND FEDERAL GRANTS UPDATE

Aaron Hake, Interim Regional Conservation Deputy Executive Director, presented items 8 and 9 concurrently as they were related. Mr. Hake provided an update on state and federal grants, focusing on the three S's - struggle, success, and stand-by. Last week, the RCA received a state grant to study the Quino Checkerspot Butterfly (QCB), an endangered species in Western Riverside County. The grant was for \$15,000, to study how soils affect the hostplant that the QCB likes, in turn helping RCA better manage property to protect the QCB and direct future acquisitions. Having this kind of information or research can play a role in deciding what properties to purchase that would be ideal for the QCB.

The RCA partnered with the San Diego Natural History Museum on a grant that was also awarded last week, to study the Burrowing Owl, a species in Western Riverside County. There is another partnership with UC Davis that was successful on a grant announced last week to study

the Mountain Lion, to better track and understand their movements in and around the Santa Ana Mountains.

Agenda Item 9 is a resolution that would allow the RCA to receive the grant funds for the QCB study and allow the research to get started as soon as possible.

Agenda Item 8 is regarding land acquisition grants that have been both successful and a struggle. RCA's success starts with the 2017 Section 6 grant that was awarded for \$2 million in Fiscal Year 2017. At the August meeting of the State Wildlife Conservation Board, RCA was approved for two properties, and three more are going to the November meeting. There was some struggle involved as the California Department of General Services (DGS) reviews all appraisals and they can sometimes be rejected. There was one property that was rejected on this grant which took negotiation and discussion until it was eventually approved by the DGS.

RCA has started to prepare for the next Section 6 grant and expects the Fiscal Year 2022 funds to be made available any day now. For the last several months, RCA and RCTC have been reviewing properties with willing sellers and critical for conservation. RCA has identified 8 properties that can be put forward for the next grant as soon as it is made available.

RCA also secured a state grant for \$14.7 million, from Assemblymember Cervantes to acquire area in the Jurupa Mountains. In the last two weeks, the RCA has closed on the first two properties with this grant, buying 57 acres for \$320,000. It is not possible for RCA to spend the total grant amount as the land values are lower in this area and there are few willing sellers, but RCA has reached out to the 31 property owners in grant area again. RCA has been talking to Assemblymember Cervantes to extend the grant term for an additional year and expand the geography of the grant beyond the mountain into other parts of the plan area. The boundary extension is possible via an administrative process, but Assemblymember Cervantes' approval in writing is needed for the California Natural Resources Agency. RCA wants to fully take advantage of all the funds tied with this grant and while we haven't heard back from the assemblymember yet, RCA will keep pursuing and standing-by.

Board Member Daddario wanted to know if one of the issues to acquiring property was the inability to engage in bidding wars and only make purchases on the stated value. Mr. Hake confirmed that the RCA is limited by the appraised value, with appraisals having to meet certain state and federal guidelines. Every offer presented to property owners is fair market value, the struggle is when an owner wants more for their property and the RCA has limited capability to offer more. This is an issue, so RCA has started trying to do outreach earlier, discussing with the property owners the process and only bringing forward those properties where owners have a good understanding and are amenable to the outcomes.

Board Member Daddario also wanted clarification on the expiration and extension of the Jurupa Mountain grant and whether the Board could step in to assist in getting the extension granted. Mr. Hake stated the grant is set to expire in March 2022, and RCA is requesting to extend the grant by one year. The extension is done administratively through the State Natural Resources Agency, and they have already expressed willingness to comply. The expansion of the

geography of the grant can also be done administratively, but the state has asked for an expression of support from the assemblymember. If Board Members have an opportunity to communicate with Assemblymember Cervantes, they certainly could express their opinions on the priority of this grant expansion.

Board Member Sobek thanked staff for their work on the grants and asked for further details on the Burrowing Owl and Mountain Lion grants. Tricia Campbell, Reserve Management and Monitoring Manager, noted that the Burrowing Owl grant will be processed and worked through the San Diego Natural History Museum. The grant is focused on creating a protocol to assess foraging habitat to help with relocations and focus efforts on existing lands. The Mountain Lion grant work will be done through UC Davis, supplementing work they have already performed along with the Nature Conservancy. The grant is focused on the Mountain Lion population in the Santa Ana Mountains, along the 15 Temecula Creek Corridor.

Vice Chair Hewitt noted that the QCB grant is based on finding soil that is more hospitable to be able to grow more plants and in turn, have more butterflies. The grant is a good one, as there is only a 25% match, which will only cost RCA around \$5,000. Mr. Hake noted that all RCA will pay is staff time.

Board Member Sobek mentioned a biology teacher in her city posted information this summer regarding the Monarch Butterfly and their life cycle by planting Milkweed in her yard. The teacher approached the city and wanted to know if some of the native plants that attract butterflies could be planted in parks or other city areas. If RCA had information on any plants that would attract butterflies and information on which would be too invasive, it would be helpful to the cities.

Board Member Edwards noted that some of the butterfly attracting plants can be invasive, as she's seen with her butterfly garden. The City of Temecula established a natural plant park in the rural panhandle where Murrieta Hot Springs turns into Butterfield Stage Road, it would be a good idea for the city to look at adding some butterfly attracting plants.

Board Member Bash informed the Board of the Monarch Butterfly Pledge for Mayors. The City of Norco is part of the pledge and has been for years. There are Milkweed plants in city parks and near city hall. Board Member Sobek asked that the pledge information be shared, as she was previously unaware.

This item is for the Board of Directors to receive and file an update on state and federal grants.

9. ADOPTION OF RESOLUTION NO. 2021-015 AUTHORIZING THE APPLICATION AND ACCEPTANCE OF GRANT FUNDS FOR EVALUATING QUINO CHECKERSPOT BUTTERFLY (*EUPHYDRYAS EDITHA QUINO*) HOSTPLANT MORPHOLOGICAL CHARACTERS ASSOCIATED WITH DIFFERENT SOILS

M/S/C (Greene/Barajas) to:

This item is for the Board of Directors to adopt Resolution No. 2021-015, "Resolution of the Board of Directors of the Western Riverside County Regional Conservation Authority Authorizing the Application and Acceptance of Grant Funds for Evaluating Quino Checkerspot Butterfly (*Euphydryas Editha quino*; QCB) Hostplant Morphological Characters Associated with Different Soil Types Predominant in the Vicinity of a QCB Metapopulation in Southwestern Riverside County, with Relevance to QCB Population Ecology and Conservation.

10. LEGISLATIVE UPDATE

David Knudsen, Interim External Affairs Manager, provided an update on state and federal legislative actions. RCA's state priority this year was to advocate for increased state investment in habitat conservation and land acquisition. While the Legislative Affairs team advocated for \$500 million in dedicated funding to the Wildlife Conservation Board (WCB), first in the proposed Wildfire and Climate Resiliency Bond Measures and later in the state budget, the legislature and the governor instead opted to increase WCB's local assistance budget to \$96 million for Federal Fiscal Year 2021, a \$31 million increase. While appreciated, it is still somewhat disappointing considering the budget proposes to dedicate \$15 billion for climate action over three years and specifically \$3.7 billion for climate resiliency programs.

Officials at the California Natural Resources Agency indicated that they intend to increase investment towards the 30 by 30 goal, to conserve 30% of the state's land and coastal waters by 2030, once the state finalizes the 30 by 30 strategy. The Legislative Affairs team has consistently engaged the public comment process and will continue to do so, to promote Habitat Conservation Plans (HCP) as a ready tool to implement the 30 by 30 goals. State HCP Coalition members have recently received information that the state intends to increase funding to WCB in Fiscal Year 2022/2023 and again in Fiscal Year 2023/2024. It is important to note the funding levels rumored to be under consideration are well below the \$500 million that was advocated for, and no budget may obligate the general fund spending of future fiscal years, so the legislature will need to be reminded of the three-year funding commitment with increased and dedicated funding to WCB.

On the federal side, congress just averted a government shut down by passing a continuing resolution to fund the government through December 3rd. The senate is expected to continue the mark-up of their appropriation bills until then. The Legislative Affairs team will closely follow the legislative process on RCA's pending earmark requests with Senators Feinstein and Padilla to fund the Wolfskill Acquisition Project. After a positive meeting with the Bureau of Land Management (BLM) in mid-September, RCA is optimistic that the local BLM office in Palm Springs will be a ready partner should RCA receive the earmark funding. The senate

appropriations process may continue for some time, but the Board will be kept apprised of the funding requests.

Lastly, a letter was received from Assistant Director Gary Frazer of the US Fish and Wildlife Service in response to RCA's February 2021 letter to the Department of the Interior Secretary Holland for proposed reforms to the Section 6 program. While the remarks in the letter struck a positive tone, RCA does not expect any changes to how Section 6 grants are administered. The Legislative Affairs team looks forward to hearing more from the Assistant Director Frazer and others at the National HCP Coalition's Annual Conference this week and will report back to the Board on any new developments.

This item is for the Board of Directors to receive and file an update on state and federal legislation.

11. PRESENTATION – SPECIES OF THE MONTH

Betsy Dionne, Senior Management Analyst Management and Monitoring, provided a presentation on the species of the month, the San Diego Desert Woodrat.

Board Member Hewitt noted that the Woodrat looked like a bigger version of the Stephens' Kangaroo Rat. Ms. Dionne stated they were different as the Kangaroo Rat have long back legs that are used to hop around, and their diet consists of mostly seeds. The Woodrat eats vegetation and leafy greens. Though they would both be prey for similar predators.

Board Member Spiegel wanted to know if they were called the San Diego Woodrat because they were predominantly in San Diego, and whether there were many in the Riverside County area. Ms. Dionne noted that the Woodrat is in our area and all-over Southern California. The species name is sometimes based on where the species was first discovered.

Board Member Sobek wanted to know if their habitats were typically in Yucca Cactus as shown in the presentation. Ms. Dionne noted that they show a preference for large cactus patches or pokey brush to deter predators.

12. BOARD OF DIRECTORS / EXECUTIVE DIRECTOR REPORT

Overview

Board Member Sobek asked staff, if possible, to provide Board Members with information or resources about plants that could or shouldn't be used to attract butterflies.

Board Member Edwards announced the Temecula State of the City on October 14th at 7 p.m., at Pechanga Resort and Spa sponsored by the Temecula Chamber of Commerce.

Board Member Bash announced the Norco State of the City on October 14th.

Board Member Yow announced the Eastvale State of the City on October 7th at 6 p.m., at Vantage Point Church.

Board Member Wallace announced the Banning State of the City on October 14th at 1 p.m., at Sun Lakes.

Board Member Sobek announced the Menifee State of the City on October 21st at 8:30 a.m., at the new Fairfield Inn and Suites.

Board Member Benoit announced the Wildomar State of the City on November 4th at 6 p.m., at Marna O'Brien Park.

Board Member Daddario noted that the Corona State of the City meeting had already passed but invited the Board Members to the only California stop of the Wall that Heals, starting October 7th. The Wall the Heals is a $\frac{3}{4}$ replica of the Vietnam War Memorial and will be at Santana Park, open 24-hours a day until October 10th.

Board Member Krupa announced the Hemet State of the City on November 5th at 6:30 p.m., on the upstairs patio at the library.

Aaron Hake, Interim Regional Conservation Deputy Executive Director, on behalf of Chair Natasha Johnson, noted the application process for the Stakeholders Committee is now open and applications can be found on the RCA website, under the Committees tab. In addition to the email Board Members received from Executive Director Anne Mayer, additional information will also be sent out later this week as well as social media posts. Board Members are encouraged to share the social media posts and emails with potential applicants. More details about the committee will be forthcoming, with appointments expected to be made to the committee by the end of the year.

12. ADJOURNMENT

There being no further business for consideration by the Western Riverside County Regional Conservation Authority Board of Directors, Vice Chair Hewitt adjourned the meeting at 1:23 p.m. The next meeting of the Board of Directors is scheduled to be held on **Monday, November 1, 2021.**

Respectfully submitted,

Lisa Mobley
Administrative Services Manager/
Clerk of the Board

AGENDA ITEM 7B

WESTERN RIVERSIDE COUNTY REGIONAL CONSERVATION AUTHORITY	
DATE:	November 1, 2021
TO:	Western Riverside County Regional Conservation Authority
FROM:	Executive Committee Jennifer Fuller, Financial Administration Manager
THROUGH:	Anne Mayer, Executive Director
SUBJECT:	Western Riverside County Multiple Species Habitat Conservation Plan Fee Collection Report for September 2021

EXECUTIVE COMMITTEE AND STAFF RECOMMENDATION:

This item is for the Board of Directors to receive and file the Western Riverside County Multiple Species Habitat Conservation Plan (MSHCP) Fee Collection Report for September 2021.

BACKGROUND INFORMATION:

The Western Riverside County MSHCP Local Development Mitigation Fee (LDMF) collections provide funding for the acquisition of additional reserve lands and related costs. RCA budgeted \$10.5 million in LDMF collections for FY 2020/21 and \$20 million for FY 2021/22. Other fees are contributed by Member Agencies and other jurisdictions for civic and infrastructure projects. RCA budgeted \$490,000 for such contributions in FY 2020/21 and \$559,000 for FY 2021/22.

Attached is the LDMF Collection and Civic/Infrastructure Contribution report for September 2021, which reflects combined collections to date of \$36,935,778 for FY 2020/21 and \$3,557,761 for FY 2021/22.

FISCAL IMPACT:

There is no fiscal impact to the receipt and file of this fee collection report.

Attachment: Western Riverside County MSHCP LDMF Collection and Civic/Infrastructure Contribution Report for September 2021

<i>Approved by the Executive Committee on October 20, 2021</i>				
In Favor:	6	Abstain:	0	No: 0

AGENDA ITEM 7C

WESTERN RIVERSIDE COUNTY REGIONAL CONSERVATION AUTHORITY	
DATE:	November 1, 2021
TO:	Western Riverside County Regional Conservation Authority
FROM:	Executive Committee Jennifer Fuller, Financial Administration Manager
THROUGH:	Anne Mayer, Executive Director
SUBJECT:	Fiscal Year 2020/21 Preliminary Fourth Quarter Financial Report

EXECUTIVE COMMITTEE AND STAFF RECOMMENDATION:

This item is for the Board of Directors to receive and file the FY 2020/21 Preliminary Fourth Quarter Financial Report.

BACKGROUND INFORMATION:

Attached is the FY 2020/21 Preliminary Fourth Quarter Financial Report, which includes an Executive Summary (cash balance summary and financial statement overview), detailed financial statements, and Multiple Species Habitat Conservation Plan (MSHCP) Fee Collections reports.

As of June 30, 2021, the RCA acquired 22 new properties totaling nearly 1,103 acres valued at approximately \$16 million. In addition, the RCA received three land donations of approximately 42 acres with an estimated value of \$413,000. The RCA also acquired 50 acres of Delhi Sands Flower-Loving Fly conservation credits valued at over \$7 million. The RCA acquired one conservation easement of approximately 3 acres with an estimated value of \$1,500. Consultant costs related to properties acquired approximate \$370,000. In FY 2021/22, RCA is working with the California Wildlife Conservation Board and U.S. Fish and Wildlife Services to obtain federal and state funding of approximately \$1 million and \$560,000 respectively, for seven properties. Additionally, the RCA is negotiating various land acquisitions with property owners which are eligible for federal and/or state funding.

Member Agencies remitted over \$33.3 million in local development mitigation fees to the RCA during the year. Member Agencies remitted nearly \$10.7 million in prepayments during the final quarter of the fiscal year, over \$3.2 million of which were deferred as permits had not been issued as of the end of the first quarter of FY 2021/22. As of June 30, 2021, the Member Agencies reported over 8,700 new residential units and 1,250 acres of new commercial/industrial development. These amounts include all the prepayment amounts. Last year, the RCA collected \$16.1 million in local development mitigation fees. The increase in fees is attributable to an increase in both residential development and commercial/industrial development and the prepayment of fees before year-end.

RCA received tipping fees of approximately \$3.8 million during FY 2020/21, which represent about 115 percent of the budgeted \$3.3 million for the year. Nearly 2.3 million tons of out-of-county tonnage were reported by the Riverside County Department of Waste Resources.

The RCA budgeted TUMF revenues of \$1.3 million for FY 2020/21. The Western Riverside Council of Governments (WRCOG) remitted nearly \$2.1 million, \$1 million of which represents the final payment related to the 2019 MOU for fees related to credit agreements.

During FY 2020/21, costs related to the management services agreement with RCTC were approximately \$1.9 million. These costs mostly relate to staffing related costs. RCTC became the managing agency for the RCA in January 2021, therefore these costs only relate to the final six months of the fiscal year. It should be noted that two professional services contracts have been terminated, and staff are performing more right of way work in house rather than contracting it out to the Riverside County Facilities Maintenance Real Estate division. Staff continues to look for cost savings as a result of the change in managing agency.

The fund balance in the Capital Projects Fund was \$20.1 million as of June 30, 2020. As of June 30, 2021, revenues exceeded expenditures by \$19.7 million. This increased the Capital Projects Fund balance to \$39.8 million. The excess revenue over expenditures is attributable to an increase in Local Development Mitigation Fee revenue.

RCA's General Fund balance decreased by nearly \$2 million, from \$27 million to \$25 million, as of June 30, 2021. The decrease is attributable to the salaries and benefits costs related to termination of County employees offset by increased Participating Special Entities revenues.

AGENDA ITEM 7D

WESTERN RIVERSIDE COUNTY REGIONAL CONSERVATION AUTHORITY

DATE:	November 1, 2021
TO:	Western Riverside County Regional Conservation Authority
FROM:	Executive Committee Hector Casillas, Right of Way Manager
THROUGH:	Anne Mayer, Executive Director
SUBJECT:	Acquisitions Status Report

EXECUTIVE COMMITTEE AND STAFF RECOMMENDATION:

This item is for the Board of Directors to receive and file the acquisitions status report as of September 30, 2021.

BACKGROUND INFORMATION:

The Board of Directors requested the Right of Way Department to provide a monthly report of the status of various acquisitions.

Since RCTC became the managing agency for RCA on January 1, 2021, 15 parcels closed escrow and 38 new parcels began the acquisition process. As of September 30, 2021, staff is managing 44 active parcels, including seven new acquisition projects during September.

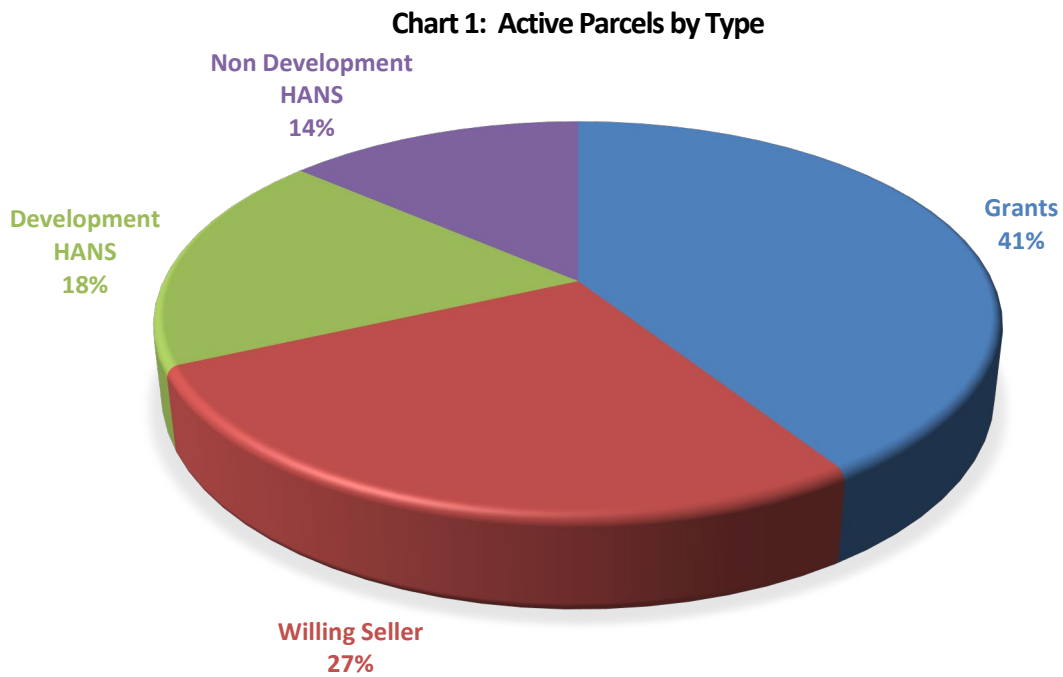

Collectively the 15 parcels acquired add up to approximately 786 acres. In addition to the typical acquisition type, i.e., willing seller, grant, and Habitat Acquisition Negotiation Strategy (HANS), 12 parcels have been acquired through the tax sale process adding approximately 402 acres. Staff also completed two donations, adding approximately 38 acres. In summary, since RCTC became managing agency for RCA, it has added a total of 1,226 acres to the reserve.

For comparison purposes, in the 2020 calendar year, 16 parcels closed escrow, adding approximately 646 acres. In addition, four donations of approximately 47 acres were completed. In summary, RCA added a total of 693 acres to the reserve in 2020.

The first attachment provides individual property details by type including location, owner representative, and acreage for active parcels as of September 30, 2021. The parcels are listed by the proposed close escrow date, if applicable.

The second attachment provides a summary of the closed escrows for the month of September 2021.

Chart 1 illustrates the active parcels by type of acquisition: grant-funded, development HANS, non-development HANS, and willing seller.

FISCAL IMPACT:

This item is for informational purposes only. There is no fiscal impact.

Attachment:

- 1) Status of Right of Way Acquisitions as of September 30, 2021
- 2) Closed escrows for September 2021

Approved by the Executive Committee on October 20, 2021

In Favor: 6 Abstain: 0 No: 0

AGENDA ITEM 7E

WESTERN RIVERSIDE COUNTY REGIONAL CONSERVATION AUTHORITY	
DATE:	November 1, 2021
TO:	Western Riverside County Regional Conservation Authority
FROM:	Executive Committee Alicia Johnson, Senior Procurement Analyst Jose Mendoza, Procurement Manager
THROUGH:	Anne Mayer, Executive Director
SUBJECT:	Single Signature Authority Report

EXECUTIVE COMMITTEE AND STAFF RECOMMENDATION:

This item is for the Board of Directors to receive and file the Single Signature Authority report for the first quarter ended September 30, 2021.

BACKGROUND INFORMATION:

Certain contracts are executed under single signature authority as permitted in the Riverside County Transportation Commission and Western Riverside County Regional Conservation Authority Procurement Policy Manual adopted in March 2021. The Executive Director is authorized to sign contracts for supplies, equipment, materials, public projects, and services that are less than \$100,000 individually and in an aggregate amount not-to-exceed \$300,000 in any given fiscal year.

The attached report details all contracts that have been executed through the first quarter ended September 30, 2021, under the single signature authority granted to the Executive Director. The unused capacity of single signature authority for services at September 30, 2021, is \$246,655.

AGENDA ITEM 8

WESTERN RIVERSIDE COUNTY REGIONAL CONSERVATION AUTHORITY	
DATE:	November 1, 2021
TO:	Western Riverside County Regional Conservation Authority
FROM:	Executive Committee David Knudsen, Interim External Affairs Director
THROUGH:	Anne Mayer, Executive Director
SUBJECT:	Legislative Update

EXECUTIVE COMMITTEE AND STAFF RECOMMENDATION:

This item is for the Board of Directors to receive and file an update on state and federal legislation.

BACKGROUND INFORMATION:

State Update

Governor Gavin Newsom had until October 10th to sign or veto bills passed by the Legislature on or before September 10th when the State Legislature concluded the first of their two-year legislative session.

Through the board-adopted legislative platform, the Legislative Affairs team advocated for the proposed climate and wildfire resiliency bond measures, AB 1500 (E. Garcia) and SB 45 (Portantino), to include \$500 million in dedicated funding to the Wildlife Conservation Board (WCB), with a \$100 million carveout for Habitat Conservation Plans (HCP). The RCA supported these bills, and staff strongly advocated for dedicated funding to WCB and HCPs. These proposals, however, are now two-year bills and staff is unsure if the legislation will pass out of the Legislature in 2022. This decision was disappointing to HCP advocates, who understand that ongoing, rather than one-time funding is vital for the success of state and federal conservation goals.

While HCPs across California welcomed the agreement between the Legislature and the Governor to include an increase of \$31 million to WCB’s local assistance budget for Fiscal Year 2021/22, the increase was short of the \$500 million in dedicated funding HCPs were seeking. The RCA and other HCPs will continue to work with the Legislature on future funding requests.

Federal Update

Congress averted a government shutdown on September 30th by passing a Continuing Resolution to fund the government through December 3rd. The Senate is expected to continue the markup

of their Appropriations bills until then. At the time of this writing, Congress was still working out final plans to raise or suspend the debt ceiling before the government defaulted on its debts.

The focus in Congress and the White House continues to be on the bipartisan Infrastructure Investment and Jobs Act (IIJA) and the budget reconciliation resolution to incorporate other elements of President Biden's American Jobs Plan and American Families Plan. The outcome of these measures will impact infrastructure development in California and across the nation.

Community Project Funding

RCA's Community Project Funding (CPF) requests submitted to Senators Feinstein and Padilla remain active as the Senate returns to their Appropriations bill markup.

Senator Padilla submitted RCA's full requested amount of \$4.2 million for the Bureau of Land Management (BLM) to acquire the Wolfskill property within the MSHCP. Senator Feinstein opted to request \$3 million for the same Wolfskill Acquisition Project. While there is still several more steps for RCA's funding request to be approved, it is unlikely that both Senators' funding requests will be granted.

Staff will closely follow the markup process to track these pending requests. After a positive meeting with BLM on September 15th, staff are optimistic that the local BLM field office in Palm Springs will be a ready partner, should RCA receive the funding.

The Senate appropriations process may continue for some time, but the Legislative Affairs team will keep the Executive Committee and Board apprised of RCA's funding requests.

Section 6 Advocacy

Assistant Director Gary Frazer of the US Fish and Wildlife Service (USFWS) recently responded in writing to RCA's letter to Department of the Interior (DOI) Secretary Deb Haaland in February proposing reforms to the Section 6 program. While the response struck a positive tone, staff do not expect dramatic changes to how Section 6 grants are administered. The Legislative Affairs team will continue to work with DOI to bring flexibility to the Section 6 grants process.

WESTERN RIVERSIDE COUNTY REGIONAL CONSERVATION AUTHORITY POSITIONS ON STATE AND FEDERAL LEGISLATION – OCTOBER 2021

Legislation/ Author	Description	Bill Status	Position	Date of Board Adoption
SB 45 (Portantino)	Wildfire Prevention, Safe Drinking Water, Drought Preparation, and Flood Protection Bond Act of 2022. This bill would enact the Wildfire Prevention, Safe Drinking Water, Drought Preparation, and Flood Protection Bond Act of 2022, which, if approved by the voters, would authorize the issuance of bonds in the amount of \$5,595,000,000 pursuant to the State General Obligation Bond Law to finance projects for a wildfire prevention, safe drinking water, drought preparation, and flood protection program.	Ordered to inactive file on request of Senator Portantino June 1, 2021	<i>Support, if amended</i> <i>(based on platform)</i>	April 8, 2021
AB 1500 (Garcia)	Safe Drinking Water, Wildfire Prevention, Drought Preparation, Flood Protection, Extreme Heat Mitigation, and Workforce Development Bond Act of 2022. This bill, which if approved by the voters, would authorize the issuance of bonds in the amount of \$6,955,000,000 pursuant to the State General Obligation Bond Law to finance projects for safe drinking water, wildfire prevention, drought preparation, flood protection, extreme heat mitigation, and workforce development programs.	Re-referred to Assembly Rules Committee May 20, 2021	<i>Support, if amended</i> <i>(based on platform)</i>	March 30, 2021
H.R. 972 (Calvert)	A bill to establish the Western Riverside County Wildlife Refuge. This legislation creates the federal government's framework to meet its obligations under the Multiple Species Habitat Conservation Plan (MSHCP) Implementing agreement.	Ordered Reported by the House Committee on Natural Resources July 14, 2021	<i>Support</i>	April 5, 2021

California Habitat Conservation Planning Coalition

Budget Report

September 16, 2021

The following is a report of the final budget actions of interest to the CHCPC for the 20-21 Legislative Session.

In June, Governor Newsom signed AB 128 (the main Fiscal Year 2021-22 budget bill), and in subsequent months, he signed several budget bills, jr., including SB 129 and SB 170. Budget bills, jr. amend the main budget bill, and can either add or take away allocations in the initial bill. Relevant investments made in these bills include:

AB 128

- Funding to CDFW for local assistance for the Biodiversity Conservation Program
- \$31M from Prop 1
- \$576K from the General Fund

SB 129

- \$65M to WCB, with \$12.5M for dam removal and habitat restoration for steelhead trout, and \$52.5M for drought impacts on fish and wildlife
- \$2.75M to WCB from Prop. 68 for wildlife and fish passage

SB 170

In September, the Legislature passed SB 170, a budget bill, jr. The bill is currently awaiting the Governor's signature.

- \$154M to State Parks for projects in urban areas with a connection to rivers, waterways, and water systems
- \$31M to Wildlife Conservation Board for protection of fish and wildlife resources from climate impacts
- \$10M to State Coastal Conservancy for unspecified grants, with \$5M reserved for the SF Bay Conservancy Program
- \$11.1M to Sierra Nevada Conservancy for climate resilience, wildfire prevention, community access, and natural resource protection
- \$67.9M to CalFire for fire recovery and restoration

SB 155

The Legislature also passed SB 155, a Resources trailer bill, in September. Trailer bills do not typically make allocations, but rather lay out more specific policy and spending direction than is typically included in a budget bill or budget bill, jr. It is currently awaiting the Governor's signature. This bill includes:

- A CEQA exemption for native fish and wildlife recovery and habitat restoration projects until January 1, 2025.

This bill is unique because it also projects how the Legislature plans to spend natural resources investments in future fiscal years.

- \$200M GGRF (beginning in FY 22–23 through FY 28-29), to be continuously appropriated to CalFire for forest health projects and prescribed burn activities
- \$593M in FY 22–23 and \$175M in FY 23-24 for the Natural Resources Agency and its departments, conservancies, and boards for programs and activities that advance multi-benefit and nature-based solutions
 - Of this amount, at least \$60M in both FY 22-23/23-24 shall go to conservancies.
 - Eligible uses include (among others):
 - Development and implementation of natural community conservation plans, habitat conservation plans, and regional conservation investment strategies
 - Acquisitions, including in-fee, conservation easements, and long-term management
 - Implementation of the of the state's 30 by 30 goal to conserve 30 percent of lands and coastal waters by 2030 and support their long-term protection
 - Protection of California's fish and wildlife resources in response to changing climate conditions
 - Restoration and stewardship projects that restore or manage the land to improve its resilience to climate impacts and natural disasters and support carbon neutrality, including through controlling or eradicating invasive plants and species, as well as the protection of lakes, streams, and rivers
- \$350M in FY 22-23 and \$150M in 23-24 to the State Coastal Conservancy for sea-level rise.

In addition to what is explicitly outlined in SB 155, we have received intel that the Administration and Legislature intend to fund the Wildlife Conservation Board according to the following schedule in the next two fiscal years:

- \$222M in FY22-23
- \$100M in FY23-24

Anne Mayer
Executive Director
Western Riverside County Regional Conservation Authority
Post Office Box 12008
Riverside, California

Dear Ms. Mayer:

Thank you for your letter dated February 22, 2021, to Secretary Haaland regarding the changes to the U.S. Fish and Wildlife Service's (Service) Habitat Conservation Plan Land Acquisition (HCPLA) grant program. We appreciate our long-term partnership to acquire habitat for the protection of threatened and endangered species in western Riverside County. We apologize for not providing a timely formal response to your letter. However, we did discuss many of the concerns outlined in your letter with members of the Western Riverside Coalition on April 7, 2021. We are committed to ensuring the HCPLA process provides the greatest flexibility possible without compromising threatened and endangered species conservation, congressional directives, or the Endangered Species Act.

In response to recent changes in federal financial assistance regulations and procedures, as well as several years of funding rescissions due to significant balances of unexpended obligations from prior year awards, the Service implemented several changes to the HCPLA grant program in order to prioritize applications that most fulfill the purposes and priorities of the program and maximize award expenditures on an annual basis. The timely expenditure of these appropriated funds will maximize resources for on-the-ground conservation, safeguard the program from further funding rescissions, and allow the Service better serve the needs of our applicants and other conservation partners.

Below are our responses to the proposed changes outlined in your letter.

1. Proposed Recommendation: Eliminate premature willing seller letter requirements.

The consideration of optional willing seller letters is part of the project readiness evaluation criterion implemented in fiscal year 2019. The intent is to identify applications that best meet the objectives of the HCPLA program. The timely expenditure of the HCPLA funds maximizes resources for on-the-ground conservation, safeguards the program from further funding rescissions, and supports our conservation partners.

The willing seller letter accounts for 5 percent of the overall criterion rating, and the absence of a letter does not preclude land acquisition projects from being funded during the merit review process. The Service will accept any form of written acknowledgement signed and dated by the landowner or their legal representative stating a willingness to enter into negotiations in the event grant funds be awarded.

2. Proposed Recommendation: Timely announcement of grant awards.

We agree that the timeliness and predictability of announcing the notice of funding opportunity for HCPLA grants must improve. A number of factors have contributed to the problem in recent years, including delayed enactment of annual appropriations bills and migration to a new application platform for processing awards (Grant Solutions). Moving forward, regardless of the status of our appropriation, we will announce the notice of funding opportunity (NOFO) early in the fiscal year. The NOFO will establish that awards will be subject to availability of funds and requirements may be subject to change as directed by our appropriators.

Applicants can assist the Service in expediting application review by ensuring project narratives and accompanying budget documents contain sufficient information to evaluate the merits of each property proposed for acquisition as prescribed in the NOFO. The NOFO will provide applicants with detailed guidance on how to develop complete and concise project narratives that address all stated eligibility and evaluation criteria. Complete and thorough budget documents will help ensure that cost share requirements are met. Submissions organized in this manner will facilitate an efficient and effective merit review and assist the Service in announcing awards earlier in the fiscal year.

3. Proposed Recommendation: Expand parcel list to give more flexibility.

While there is no limit on the number of properties that may be submitted for consideration for HCPLA grant funds, applicants are required to identify the specific parcels proposed for acquisition with grant funds and as cost share, and provide the information necessary to facilitate the evaluation of each parcel against the merit review criteria.

As a discretionary funding program, we are required by federal financial assistance regulations to maximize competition and to evaluate and rank the natural resource values of each property proposed for acquisition during merit review. Thus, we do not have the flexibility to award “block grants” as suggested.

We appreciate your feedback and suggestions and hope you can appreciate why we needed to make these changes to facilitate more timely expenditure of obligated funds.

Thank you for your interest in the HCPLA grant program and your support for the protection of listed species in western Riverside County. If you need any additional information or would like to discuss any of these issues further, please contact me or Ms. Martha Balis-Larsen, Chief, Division of Budget and Technical Support, at (703) 358-2314 or martha_balislarsen@fws.gov.

Sincerely,

**GARY

AGENDA ITEM 9

WESTERN RIVERSIDE COUNTY REGIONAL CONSERVATION AUTHORITY	
DATE:	November 1, 2021
TO:	Western Riverside County Regional Conservation Authority
FROM:	Executive Committee David Knudsen, Interim External Affairs Director
THROUGH:	Anne Mayer, Executive Director
SUBJECT:	Stakeholders Committee Membership Outreach Update

EXECUTIVE COMMITTEE AND STAFF RECOMMENDATION:

This item is for the Board of Directors to receive and file an update on the Stakeholders Committee membership outreach efforts.

BACKGROUND INFORMATION:

Established by the RCA bylaws, the Stakeholders Committee is comprised of members from groups representing property owners, environmental interests, and the building industry within the area affected by the Multiple Species Habitat Conservation Plan (MSHCP). The members of the Stakeholders Committee are appointed by the RCA Chair and ratified by the Board. The bylaws further set an expectation that reasonable efforts should be made for the Stakeholders Committee to meet at least twice per year.

After several years of being dormant, Chair Johnson has prioritized revitalizing the Stakeholders Committee, and the Executive Committee discussed reactivating the Stakeholders Committee at its June 16, 2021, meeting.

Reestablishing the Stakeholders Committee is an important element of the MSHCP’s success, by:

1. Bringing together people with varying perspectives who share a common interest in the MSHCP’s success and can assist the RCA in a process of continuous improvement; and
2. Increasing awareness of the MSHCP and its benefits to Western Riverside County.

Committee Membership Recruitment

A robust recruitment effort for Stakeholders Committee members began on September 27th with the launch of a new application webpage, a news release, and a targeted social media campaign. Staff released a special edition of The Vista newsletter on October 5th to announce RCA’s recruitment efforts and published another article on October 6th in the Riverside County Transportation Commission’s newsletter, The Point. An informational video was produced to help with the recruitment process. Targeted digital advertising on Facebook and LinkedIn, plus

organic social media posts through @WesternRCA on Facebook, Twitter, and Instagram were used. Email notices also were sent to prospective members, partner agencies, and community groups.

Outreach efforts will continue through the application deadline of October 25, 2021, with additional organic social media posts and reminder emails to stakeholder and community groups and partner agencies.

FISCAL IMPACT:

This is an informational update. There is no fiscal impact.

WESTERN RIVERSIDE COUNTY REGIONAL CONSERVATION AUTHORITY BYLAWS (updated 03/01/2021)

ARTICLE IX – STANDING COMMITTEES

- A. **FORMATION.** The following Standing Committees of the RCA are hereby created:
4. **Stakeholders Committee.** The Stakeholders Committee shall be appointed by the Chair and ratified by the Board. The Committee shall be composed of up to sixteen (16) members, whose members shall be drawn from the following:
 - a. Groups representing property owners affected by the MSHCP;
 - b. Groups representing environmental interests implicated by the MSHCP; and
 - c. Groups representing the building industry within the area affected by the MSHCP.
 - d. Committee members shall not be permitted to appoint alternates. The Committee shall meet when requested to do so by the Chair or Board. The Committee shall meet as often as necessary; however, reasonable efforts shall be made to hold committee meetings at least twice yearly. The Executive Director shall chair the meetings and facilitate discussion. The Stakeholders Committee shall review implementation plans from a stakeholder perspective and perform such other duties as directed by the Board.
- B. **CONTROL AND SUPERVISION.** In the performance of their duties and responsibilities, all Committees of the RCA shall submit all policy matters coming before them to the RCA Board for final consideration, unless otherwise specified by the Board. Committee members shall be appointed on an annual basis.

Western Riverside County Regional Conservation Authority Seeks New Members for Stakeholders Committee

The Western Riverside County Regional Conservation Authority, also known as the RCA, is seeking volunteer members for its Stakeholders Committee. Applications are due October 25.

RCA Chair Natasha Johnson will appoint members to the committee with ratification by the RCA Board of Directors. The Committee will meet as requested by the Chair or Board -- at least twice per year. Johnson, who also serves as a Lake Elsinore City Council Member, encouraged qualified potential members to apply.

“Building community requires the voices of its people. This holds true, especially as the RCA works to preserve our beautiful open space and natural resources in western Riverside County in order to shape our growing region,” she said. “As the Chair of RCA, I invite members of the public who believe in this work to apply to serve on the RCA’s Stakeholders Committee. The preservation of our lands, the protection of our threatened species, and the future development and prosperity of the region is in our hands. Will you join us?”

The Stakeholders Committee, which will be appointed annually, will include up to 16 members, with membership from the following:

- Groups representing property owners affected by the MSHCP
- Groups representing environmental interests implicated by the MSHCP
- Groups representing the building industry within the area affected by the MSHCP

Committee members will give input to the RCA Board of Directors by reviewing implementation plans for the Multiple Species Habitat Conservation Plan, which aims to preserve 500,000 acres of habitat in western Riverside County to protect 146 animal and plant species. This habitat conservation helps communities and species thrive, accelerates construction of needed infrastructure like transportation projects and housing, and bolsters the local economy.

-- MORE --

RCA Stakeholders Committee

Page 2 of 2

To apply, go to wrc-rca.org/stakeholders. Prospective members can submit the completed form online or can print a copy and submit by email to dknudsen@rctc.org or by U.S. mail to:

Western Riverside County Regional Conservation Authority
Attn: David Knudsen
4080 Lemon Street, 3rd Floor
Riverside, CA 92501

For questions, please contact David Knudsen via email or by calling (951) 787-7141.

###

Why Join our Stakeholders Committee?

WOULD YOU LIKE TO MAKE A DIFFERENCE IN HABITAT CONSERVATION AND LAND DEVELOPMENT IN WESTERN RIVERSIDE COUNTY?

The RCA is seeking members to apply for our Stakeholders Committee. This group of volunteer members provides input to the RCA by reviewing implementation plans for the MSHCP. (See sidebar at right). RCA intends for the Committee to:

1. Bring together people with varying perspectives who share common interest in the MSHCP's success and who can help the RCA make continuous improvement; and
2. Increase awareness of the MSHCP and its benefits to western Riverside County.

Members are appointed by the RCA Chair and ratified by the RCA Board of Directors. The Committee will meet as requested by the Chair or Board — at least twice per year. Appointments are made annually.

WHO CAN APPLY?

The Stakeholders Committee includes up to 16 members, with membership from the following:

- Groups representing property owners affected by the MSHCP
- Groups representing environmental interests implicated by the MSHCP
- Groups representing the building industry within the area affected by the MSHCP

HOW AND WHEN TO APPLY

- 1 Carefully read this information and application instructions.
- 2 Submit your application and resume online or by completing the form below. **Applications must be received by Monday, October 25, 2021.**
- 3 The RCA Chair will review applications and submit final candidates for Board ratification in late 2021. You will be notified at that time if you have been selected, and additional information will follow.

Thank you for your interest.

WHAT IS THE RCA?

The Western Riverside County Regional Conservation Authority (RCA) was formed in 2004 to achieve one of America's most ambitious environmental efforts, the **Western Riverside County Multiple Species Habitat Conservation Plan (MSHCP)**. Our mission is to preserve 500,000 acres of habitat to protect 146 species. This effort is designed to expedite infrastructure construction, particularly transportation projects, and provide greater certainty in the development process.

As one of the nation's largest habitat conservation plans, the MSHCP strengthens our region by protecting natural resources, improving transportation networks, and fostering sustainable development for our growing region.

The RCA also:

- Manages the lands we acquire to ensure animals and plants thrive
- Monitors habitat loss and the welfare of protected species
- Reviews applications for infrastructure and development projects

AGENDA ITEM 10

WESTERN RIVERSIDE COUNTY REGIONAL CONSERVATION AUTHORITY	
DATE:	November 1, 2021
TO:	Western Riverside County Regional Conservation Authority
FROM:	Lisa Mobley, Administrative Services Manager/Clerk of the Board
THROUGH:	Anne Mayer, Executive Director
SUBJECT:	AB 361 Determination

STAFF RECOMMENDATION:

This item is for the Board of Directors to:

- 1) Adopt Resolution No. 2021-016, *“A Resolution of the Board of Directors of the Western Riverside County Regional Conservation Authority Authorizing Virtual Board and Committee Meetings Pursuant to AB 361”*; and
- 2) Discuss and provide direction on whether to continue holding virtual meetings with the flexibility to revisit the matter on a monthly basis.

BACKGROUND INFORMATION:

Since the onset of the COVID-19 in early 2020, California government agencies have been able to continue to discharge their legal responsibilities through the use of virtual teleconferencing platforms such as Zoom to hold public meetings that enabled agencies to meet and conduct business, comply with social distancing orders and most importantly, provide access to the public. In many cases, virtual meetings have actually enhanced public participation, particularly in larger counties including Riverside County where traveling to a public meeting can be inconvenient or require traveling a long distance. Both RCA and RCTC have been meeting on Zoom since March of 2020, when many Executive Orders were issued by Governor Newsom in response to the pandemic. One such order altered Brown Act requirements to allow for virtual meetings.

Although transmission, hospitalization and death rates from COVID-19 have sharply declined since the original onset of the pandemic and subsequent Delta Variant surge, an air of uncertainty remains regarding the pandemic and many counties continue to recommend masking inside and social distancing. Given that environment and a desire to continue allowing for the flexibility of holding virtual meetings, the Legislature recently approved, and Governor Newsom signed, Assembly Bill 361 to temporarily allow for virtual meeting under proscribed circumstances.

AB 361

Effective immediately, AB 361 amends the Brown Act to allow local legislative bodies to continue using teleconferencing and virtual meeting technology in certain circumstances. Under the Bill,

legislative bodies can continue to meet remotely as long as there is a “proclaimed state of emergency” and the Board of Directors can make either of the following findings: (a) state or local officials have imposed or recommended measures to promote social distancing or (b) whether as a result of the emergency, meeting in person would present imminent risks to the health or safety of attendees.

The Governor proclaimed a State of Emergency on March 4, 2020, related to the COVID-19 pandemic, the State of Emergency continues to exist to this day. Further, both State and Riverside County officials continue to recommend social distancing.

AB 361 requires specific procedural safeguards for the public. To accommodate individuals during these teleconferences and virtual meetings, a public comment period will be offered where the public can address the legislative body directly in real time. Additionally, public comments will be allowed up until the public comment period is closed at the meetings. The agenda will include information on the manner in which the public may access the meeting and provide comments remotely. If technical problems arise that result in the public’s access being disrupted, the legislative body will not take any vote or other official action until the technical disruption is corrected and public access is restored.

The attached Resolution allows the Board to implement AB 361 by making the findings discussed above. These findings will be in effect for 30 days or until the Board makes findings that the conditions listed therein no longer exist, whichever is shorter. The findings can be extended by the Board upon a finding that conditions supporting the findings included in the Resolution still exist. The authorization to meet remotely will apply to any committees that meet during the 30-day effective period.

AB 361 will allow for virtual meetings during other state-proclaim emergencies, such as earthquakes or wildfires, where physical attendance may present a risk. AB 361 is scheduled to sunset January 1, 2024.

STAFF RECOMMENDATION:

Staff recommends the approval of the attached resolution to allow for the flexibility of holding virtual meetings for the next 30 days as permitted by AB 361. This would apply to all of the agency’s committee meetings as well as the main Board of Directors meeting. One key benefit of adopting the resolution is that the matter must be revisited every month and approving the resolution does not bind the agency to hold a virtual meeting, but merely provides the authority to do so if it is the direction of the Board itself.

Staff recommends a Board discussion and direction on whether to conduct virtual meetings in future months.

RESOLUTION NO. 2021-016

A RESOLUTION OF THE BOARD OF DIRECTORS OF THE WESTERN RIVERSIDE COUNTY REGIONAL CONSERVATION AUTHORITY AUTHORIZING VIRTUAL BOARD AND COMMITTEE MEETINGS PURSUANT TO AB 361

WHEREAS, the Western Riverside County Regional Conservation Authority (“Authority”) is committed to preserving and nurturing public access and participation in meetings of the Board of Directors; and

WHEREAS, all meetings of the Authority’s legislative bodies, including its Board of Directors and Executive Committee, are open and public, as required by the Ralph M. Brown Act (Cal. Gov. Code 54950 – 54963), so that any member of the public may attend and participate in the Authority’s meetings; and

WHEREAS, starting in March 2020, in response to the spread of COVID-19 in the State of California, the Governor issued a number of executive orders aimed at containing the COVID-19 virus; and

WHEREAS, among other things, these orders waived certain requirements of the Brown Act to allow legislative bodies to meet virtually; and

WHEREAS, pursuant to the Governor’s executive orders, the Authority has been holding virtual meetings during the pandemic in the interest of protecting the health and safety of the public, District staff and Directors; and

WHEREAS, the Governor’s executive order related to the suspension of certain provisions of the Brown Act expired on September 30, 2021; and

WHEREAS, on September 16, 2021, the Governor signed AB 361 (in effect as of October 1, 2021 – Government Code Section 54953(e)), which allows legislative bodies to meet virtually provided there is a state of emergency, and either (1) state or local officials have imposed or recommended measures to promote social distancing; or (2) the legislative body determines by majority vote that meeting in person would present imminent risks to the health and safety of attendees; and

WHEREAS, such conditions now exist in the Authority, specifically, a state of emergency has been proclaimed related to COVID-19 and state or local officials are recommending measures to promote social distancing,

NOW, THEREFORE, BE IT RESOLVED THE BOARD OF DIRECTORS OF THE WESTERN RIVERSIDE COUNTY REGIONAL CONSERVATION AUTHORITY DOES HEREBY RESOLVE AS FOLLOWS:

Section 1. Recitals. The Recitals set forth above are true and correct and are incorporated into this Resolution by this reference.

Section 2. Findings. Consistent with the provisions of Government Code Section 54953(e), the Board of Directors finds and determines that (1) a state of emergency related to COVID-19 is currently in effect and (2) state or local officials have recommended measures to promote social distancing in connection with COVID-19.

Section 3. Remote Teleconference Meetings: Based on the findings and determinations included herein, the Board authorizes and directs any of its legislative bodies, including without limitation its Board of Directors and Executive Committee, to conduct remote teleconference meetings under the provisions of Government Code Section 54953(e) and that such bodies shall provide public access to their meetings as provided in Section 54953(e).

Section 4. Effective Date of Resolution. This Resolution shall take effect upon adoption and shall be effective for 30 days unless earlier extended by a majority vote of the Board of Directors in accordance with Section 5 of this Resolution.

Section 5. Extension by Motion. The Board of Directors may extend the application of this Resolution by motion and majority vote by up to 30 days at a time, provided that it makes all necessary findings consistent with and pursuant to the requirements of Section 54953(e)(3).

APPROVED AND ADOPTED this 1st day of November, 2021.

Natasha Johnson, Chair
Western Riverside County Regional Conservation Authority

ATTEST:

Lisa Mobley, Clerk of the Board
Western Riverside County Regional Conservation Authority
