Honey Bernas, Deputy Executive Director, presented the Fiscal Year 2019 Audited Financial Statements. She reported that this was the third year the RCA was audited by Brown Armstrong Accountancy Corporation. She stated that she was pleased to report that the Independent Auditors' Report indicates that the financial statements present fairly in all material respects, the financial position of the RCA as of June 30, 2019. The opinion was "clean" or "unmodified." She gave a brief overview of the financial statements, stating that in the General Fund, revenue exceeded expenditures by \$1.9 million. In the Capital Projects Fund, expenditures of \$34.4 million exceeded revenues of \$29 million by \$5.4 million. This was due to the Board accelerating the last phase of the Anheuser-Busch property, which resulted in a savings of \$2.7 million to RCA by closing one year early. During Fiscal Year 2019, Member Agencies collected MSHCP fees on approximately 6,400 residential units and 840 acres of industrial/commercial development. In addition, the Capital Projects Fund received \$3 million in Measure A funds and \$1.3 million in TUMF funds toward land acquisitions. RCA was required to undergo another Single Audit in 2019, which is required for entities with expenditures over \$750 thousand in Federal funds. The RCA expensed approximately \$2 million in Federal Funds for the acquisition on the Chappell property for 58.2 acres. RCA also received State matching funds of \$1 million for the Chappell property. RCA is happy to report that the auditor did not identify any internal control deficiencies or findings related to the federal expenditures. Ms. Bernas commended staff for all their hard work.
